Sir,

I have the honor to state that one Mrs. G. Gnanadeebam, who is a native of the Tinnavelli District, and who is reported to have qualified for a Sub Assistant Surgeon's post by passing the final Board's examination in July last, as a private student, has applied for a place in the State Medical Department.

2. There are at present 13 State stipended students to be absorbed in the regular grade of Sub Assistant Surgeons, and so there is no likelihood of a vacancy occurring to be given to this applicant. In view of the difficulty of getting qualified Lady Sub Assistant Surgeons when required, it seems desirable to secure her services now when she is available.

3. I therefore recommend the entertainment of the applicant as a Sub Assistant Surgeon, 3rd Class, on Rs 40/- as supernumerary, to be absorbed in the first vacancy that may occur after the existing Passed Medical Pupils are absorbed and without affecting the claims of the latter to seniority.

4. I may add that if the proposal is sanctioned,

Sir,

With reference to your docket No.3039-Med.57-15-5, dated 19th October 1915, I have the honor to inform you that Mrs. Amba Bai, who was a State stipendiary and, as such, was employed as a passed medical pupil on Rs. 25/- to start with, according to the rules relating to stipendiaries, will soon be absorbed in one of the existing vacancies in the sanctioned cadre, with retrospective effect, and will, therefore, not be superseded by Mrs. Gnanadeebam, who, being a candidate that underwent the training at her own expense, is not bound to serve, and cannot, under the existing rules, be entertained, as a passed medical pupil. Hence my request to start her in the last grade applicable to female sub Assistant Surgeons, under the existing rules, viz., the 3rd Grade on Rs.40/- which may kindly be sanctioned.
